EXTRAORDINARY ACTIVITY SHOWN IN POTENTIALS

Highly Professional Character of Trading Evidenced by Rock Island Outranking All Other Stocks.

BY MORNING JOURNAL SPECIAL LEASED WIRE

New York, Oct. 25.—Technical conditions represented by the extended and active outgrowth of more favorable developments in today's market, leading stocks again reacting moderately after an early period of singular strength.

The highly professional character of the trading was evidenced by the extraordinary activity of issues having only potential or future value.

United Rock Island & Pacific outpaced all other stocks on its extreme gain of 7% points, to 34%, with an outturn of 225,000 shares.

Other strong and active stocks included Denver & Rio Grande common and preferred at gains of 4% and 5% respectively, with one to over 100 points for Missouri Pacific, Missouri, Kansas & Texas, Texas & Pacific and St. Louis & San Francisco, both with Rock Island, made up 49 per cent of the total aggregate of 1,300,000 shares.

Investment rails were irregular to day throughout, pressure being most evident in Reading and other coalers, Penn Pacific and some of the grangemen and rail trunk lines.

United States denoted bearish tendency, closing at 117 1/2, its low quotation of the session, and a new loss of 1 1/2.

High records made during the forenoon by the sugars were wholly or partially surrendered later. General Motors also receding from its new maximum of 15¢, with other specialities, such as Bethlehem Steel, which gained nine points and fell ten. Industrial Alcohol retained the greater part of its 9% point gain. Other munitions, implements and motors yielded one to two new points each. Foreign and international issues again contributed to their regularity of the bond market, with pronounced strength in convertible or speculative issues of minor railways. Total sales, par value, \$6,125,000.

United States bonds were unchanged.

CARRANZA LAUNCHES NEW VILLA CAMPAIGN

BY MORNING JOURNAL SPECIAL LEASED WIRE

Washington, Oct. 25.—General Carranza has started a new military campaign against Villa bands in northern Chihuahua, according to information furnished the American forces beyond the border. The war department gave out today the following summary of General Pershing's report:

"General Pershing reports that Carranza officials state that a column of troops is moving north from Parral against Villa. Nothing definite as regards the recent action between de facto troops and Villistas at San Ysidro is known."

Cause of Constipation.

Constipation results from a lack of moisture in the residual matter of the food. To effect a permanent cure more water must be taken into the system. Drink a full glass of water half an hour before breakfast and about the third of a glass an hour and a half after each meal, also eat an apple or banana before breakfast and before going to bed. Make sure that your bowels move just after breakfast whether there is an inclination or not. When a medicine is needed take Chamberlain's Tablets as they are mild and gentle in effect, but no medicine should be taken when operations can be induced naturally each day.

To effect a permanent cure and patience are required as bad habits are more easily formed than broken up. Obtainable everywhere.
